

Samsung Mobile Advance 2024

Bring your innovation to Samsung's mobile experience

About

- Samsung Mobile Advance provides a unique opportunity for startups to transform innovative ideas into reality through collaboration with Samsung Mobile
- Selected companies will **receive grant funding and support** to build proof-of concepts that demonstrate how their technology can enrich Samsung mobile experiences
- Open to startups located in the US, Canada, Europe, Israel, China, Japan, and India

How

- Please submit a 6-month project proposal that describes the development plan of the proof-of-concept and its potential benefits for Samsung Mobile
